Create a Fantasy Map

Draw a map for a fantasy world using natural features and man-made elements. As you draw your map, it might give you some ideas for the plot of a fantasy story! (If you have some watercolour paint or ink you could splatter it on to the page to create some interesting shapes for your map.)

Create a Character & Describe their Feelings

Ren loves creatures, so she describes how she feels using creature imagery... eg. 'A lithe-lizard of nervousness scuttled down Ren's spine.' 'Her stomach squirmed like it was full of Avean ruffleworms.' 'The crickle-caterpillar of fear curled into a hard, cold coil inside Ren.'

Now you try! Create a character & describe their feelings using imagery from their special interest.

Character Name:

What is their special interest?

Think of some images connected to this interest:

Draw your character:

Write a sentence about how they are feeling, using this imagery:

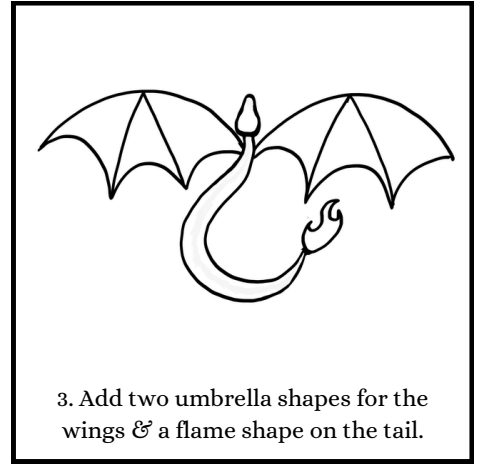

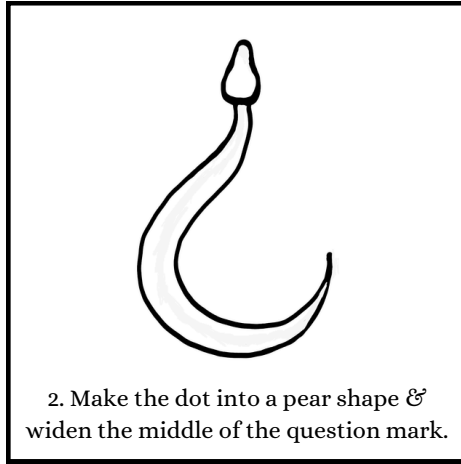

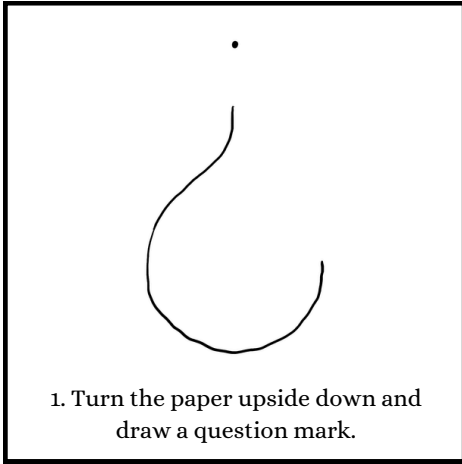

Create a Chocolate Bar for a Wyvern

Wyverns love chocolate! Which extra ingredients would you use if you invented a chocolate bar just for wyverns? What would it look like? What would you call it?

Ingredients & Method:

How to Draw a Wyvern

You try! Draw your own wyvern, colour it in and give it a name...
